1 the control of it. I feel people should not be able to purchase guns when a criminal or fallon,  
2 due to the events that can occur with people like that. I do understand there are people who  
3 love to hunt and all, but there should also be a restriction on how many guns a person can  
4 retain, meaning having 10-20 isn't a direct "safe" amount but 1-5 is a strictly better aspect  
5 of having guns. Therefore there should be strict boundaries towards these guns. The law  
6 for New Mexico is stated as the following, "no law shall abridge the right of the citizen to  
7 keep and bear arms for security and defense for lawful hunting and recreational use for  
8 other lawful purposes, but nothing shall herein shall be held to permit the carrying of  
9 concealed weapons. no municipality or county shall regulate in anyway and or incident of  
10 all the right to keep and bear arms."

11 So now we will talk about "school shootings and how they're pertained to incidents into  
12 taking one others life and why there should be laws that are more redundant. On February  
13 14, 2018 in Parkland Florida, school Marjory Stoneman Douglass High School had a total  
14 of seventeen deaths. March 2, 2018 Mount Pleasant, Michigan. Two people were shot to  
15 death at a dormitory on the campus of Central Michigan University, the victims were not  
16 students and police think the incident stemmed from a domestic situation. March 7, 2018,  
17 Jackson Mississippi. A student was shot inside a dormitory at Jackson State University.  
18 Although his injuries weren't life threatening, it was still a tragic incident. These are just a  
19 few of many school shooting incidents that was caused death & or life threatening changes.

20 In conclusion I feel that you should be at least 21 and have a full ground background  
21 check, before you you're able to purchase any type of gun. Also there should be restrictions  
22 to how many you're able to purchase, limitations to the kind you buy & also take classes on  
23 how to use them properly with a permit to be held around all the time.

24 SECTION 3. PENALTY. - Penalty should be 1 month in county jail if victim is found with  
25 gun & no license or permit.
