9 WHEREAS, WHEREAS, I declare the 3rd of February as the state memorial of
10 cheerleaders who are suffering fom any kind of illness emotionally of physicallt. The reason
11 that I chose the 3rd of February is becayse a friend of mine who is also a WLW Cheerleader
12 Alumni, passed away on this day. This cheerleader was my teammate and someone who I
13 could confide in on andoff the amts. Although this teammate of mine was the life of the
14 party, carried sunshine wherever she went and did not have a bad bone in her body she
15 suffered from a physical, emotional and mental illness. This illness came

about when she suffered from a back injury and was given medication to supplement her. She took this pain killer and eventually over time became addicted. My teammate became addicted and did not tell anyone which became a problem. Therefore, I think it is important for the state of New Mexico to have a program that supports cheerleaders and all females and helps them overcome their mental illness or problem.

NOW, THEREFORE, BE IT RESOLVED BY THE LEGISLATURE OF THE
AMERICAN LEGION AUXILIARY NEW MEXICO GIRLS STATE that It is important that the
state of new mexico gives cheerleaders the support and help that they need because they
have an important role not only in the school but in the community as being leaders.

BE IT FURTHER RESOLVED that

BE IT FURTHER RESOLVED that Being that cheerleaders are outgoing and eventually become active members of society it is important that we as citizens get this help in the state of New Mexico. I hope that you take this bill into consideration because it is a problem in New Mexico and
