

NEW MEXICO

GIRLS

STATE

June 4-11

1972

Highlands University, Las Vegas, New Mexico

Now that you are busy in your Senior activities, I hope you will remember some of the things you learned at Girls State. You represented your school well at Girls State, now in turn I hope you put into practice what you learned.

The responsibility of being a good citizen is yours, in your community, state, and nation. You can help by encouraging others. A good attitude can be as contagious as a bad one. Assume the responsibility as an American citizen to promote Justice, Freedom, and Democracy. Be ready to serve, that the freedom we enjoy may be preserved. Remember, Freedom is not Free! It must be earned anew in each generation.

There is much unrest and many ills in our country today. In working to correct the ills, do not downgrade your country. You have a priceless heritage: Treasure it and preserve it. Be strong in your faith in God and love of your Country.

Good Luck and may God Bless You,

Aweida S. Davidson, Director
New Mexico American Legion Auxiliary
Girls State

Congratulations to each of you who have attended the twenty-fifth New Mexico American Legion Auxiliary Girls State.

You have witnessed a week of government in which you were a part. I hope that Girls State will hold a special memory for you and that you will always cherish and appreciate the value of being an American citizen.
