More Than 250 Register Here Girls State

More than 250 girls from
all over the state registered
for the Girls State be-
cause of the American
Auxiliary at the Uni-
versity of New Mexico. Some
of the girls are shown
in the pictures.

E. F. Castetter, UNM academic vice president, and E. L. Jory, president of the Albuquerque Chamber of Commerce, welcomed the young student leaders to the week-long government workshop at a general assembly meeting Sunday night. Castetter stressed the great difference the American woman's position today and that of several decades ago.

Other officers from Pine
bluff are: Anna Harding,
book clerk; Georgann Jack
son, 1st treasurer; and Leslie
Harris, police judge.

PINON CITY YELL

Who's the greatest at Girls State? Pinon City with no mistake. Of our city we are proud. This we say and say it loud. P-I-N-O-N C-I-T-Y

CITY SONGS

CACTUS CITY

We look sharp, and we're on the ball, We are sharp, we're the best of all, Cactus City is the best one yet, With the greatest gals you ever met.

We look sharp at the polls each time, We are sharp at the dinner line, Cactus City is the best one yet, With the greatest gals you ever met.

CEDAR CITY

Ya'da, Ya'da, Ya'da-be a Cedar City Girl. Ya'da, Ya'da, Ya'da-be a Cedar Girl. 'Cause we've got the mayor and she's got her team. We've got the pep and we've got the steam. Ya'da, Ya'da, Ya'da-be a Cedar City Girl.

Yes, we are the Cedars, we surely are. We are the leaders, the best by far. Ya'da, Ya'da, Ya'da-be a Cedar City Girl.

If you don't believe us, there's something wrong. We're the proud Cedars, here's our proud song. Ya'da, Ya'da, Ya'da-be a Cedar City Girl.

YUCCA CITY

Yucca City, along with the other five cities of Girls State, met for the first session last night. Yucca is often called the "flower of democracy" and the mythical city for which this city is named is one of the oldest cities in Girls State. The name Yucca is also symbolic in that the things the letters of the word stand for such as: Y-you, U-unity, C-citizenship, and A-ability.

The city counselor is Mrs. Jack Gurley, and the city boasts a population of 54 citizens. Mary Louise Edmondson has been appointed temporary chairman and Carolyn Brown temporary clerk.

PINE CITY

The great city of Pine elected their city officials yesterday in a rousing campaign. After some very spirited politicking, Jane McAdoo was elected Mayor of Pine.

Pine City has adopted several songs and cheers which will be used to challenge the other cities at assemblies and meetings. A beautiful seal with the motto "Forward Ever-Backward Never" will lead Pine City to the top of the ladder above all the other cities of Girls State.

Democracy Topic Of Horn Talk

The two-party system in politics is an absolute necessity for good democracy, Calvin Horn told the 260 young ladies enrolled in Girls State at the University of New Mexico Monday afternoon.

Horn, who has just returned from a tour of Russia, said that he watched with horror the workings of a one-party system in Soviet Russia.

"Democracy may be a bit cumbersome at times," Horn said, "but government by, for and of the people is the only type that safeguards the rights of the common people."

Horn spoke to Girls Staters just before the announcement of election of the officers of the six cities. He then swore in the newly-elected officers.

Following dinner Monday night the new city officers got their first taste of governmental action from 6:30 to 8:20.

The general assembly will be held this morning at 8:15 in the UNM Union Ballroom. Rosemary Lowery, mayor of Cactus City, will preside.

At 8:30 this morning representatives of the New Mexico State Police force will discuss problems and aims of the department.

At 9:15 there will be party caucuses by counties. The state party conventions will begin at 1:45 this afternoon with the primary elections set for 6:20 this afternoon.

PINON CITY

I'm a lonely pinon brown, lying on the cold, cold ground. Someone came and stepped on me. Now I'm cracked as I can be. I'm a nut, etc.

Pinon City is the best, we have pep and we have zest. We work hard and we do good like every other city should! We're the best--in the west.

Pinon City is our name--we win votes and we win fame. Work together is our cry V*I*C*T*O*R*Y We're ahead--of the rest.

We are dignified and true. We will work for all of you. We're the best at Girls State, now. Just ask us, we'll tell you how. We're great--at State.

We are sisters, all in one. We have gobs and gobs of fun. Together we will always be-I for you and you for me. You're a friend--to the end.

SAGE CITY

We took the best of the Girls State delegates, we took the best of the counselors too; we elected an efficient mayor and officers to carry the job right through. Then we put them all together and this is what we are; We're the Sage City citizens of Girls' State and we are going for it.

CACTUS CITY

Cactus, the "sharp" city, met at Mitchell Hall on June 12th. The morning and afternoon sessions were spent learning city government and electing city officials. The evening session was filled with the city government functioning and planning for the assembly.

Cactus City's attractive mayor, Rose Marie Lowery, presided for the first time at the evening meeting. Minutes were read and approved and a budget presented by the treasurer. If adopted, the budget will leave a balance of \$6,000 at the end of the year.

Last on the agenda were the announcing of appointed offices and the reading of the ordinances. These ordinances will be enforced by the Police Chief, Jimmie Gayle Darr and her four policemen.

Meeting adjourned at 8:30.

SAGE CITY

Sage City, the city of spice and home of the 1960 Governor had its first meeting last night. Mrs. Genta presiding as counselor and with her guidance we are sure to have the best city.

Miss Dolly Petine was appointed temporary chairman and Miss Roselin Mead temporary clerk.

Our next city meeting will be the electing of our Mayor and all city officials.

PINE CITY

Pine City raring to go readily used the Girls State password of "hurry". Under the direction of Mrs. C. B. Buck I know we all will have a good city. Though to no ones surprise we were all happy to find such an excellent group of girls. Immediately after introduction we registered with Ann Harding, our temporary secretary, while Missy Montoya acted as our chairman.

Girl Staters Put New Knowledge To Test Today

Girl Staters, winding up their last day of the 1961 session on the University of New Mexico campus, will "practice" their newly-learned laws in meetings this morning of the Senate and House.

Girl Staters Spending Today At Santa Fe

At 8:30 this morning the 275 girls will board buses for

Santa Fe for a day at the capital. The newly-elected senators, representatives, justices, supreme court judges and others will visit offices to which they have been elected.

Following lunch on the courthouse lawn and afternoon visits to various officials in Santa Fe the groups will board the buses again for the return trip to Albuquerque.

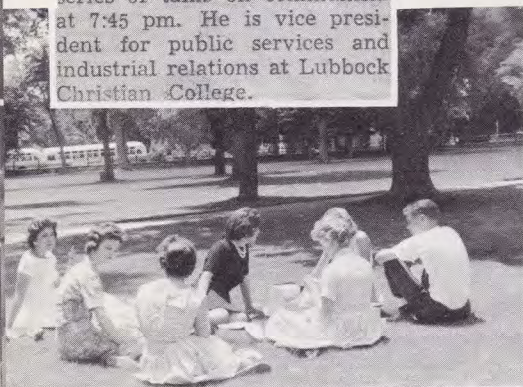

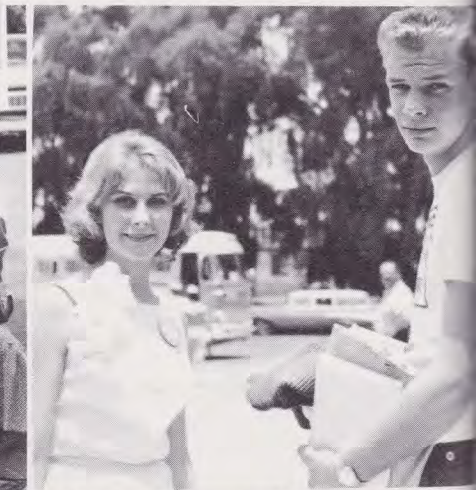

Girls State To Santa Fe

The 276 delegates to Girls State went to Santa Fe today to study state government in action.

The girls elected to state offices in Wednesday's election visited the offices they represent. The delegates watched their student senators and representatives from two mythical counties in mock session in the Senate and House chambers.

Following their return from Santa Fe, the delegates will convene in city meetings at 8:30 p.m. at UNM. Dr. C. L. Kay will make another in his series of talks on communism at 7:45 p.m. He is vice president for public services and industrial relations at Lubbock Christian College.

Girls State Told Of Soviet Menace

By MARLYS DURAN

The youth of America can and will preserve freedom.

This was the message delivered today to 277 high school students attending Girls State at the University of New Mexico. The speaker was Dr. C. L. Kay, professor at Lubbock Christian College.

Dr. Kay recently received the Freedom Foundation's George Washington Medal of Honor for patriotism.

Describes Faith

Dr. Kay told the girls states that he has faith in the young people of this country to preserve freedom from the Communists. He outlined the advance of communism in its plan to take over the world.

"Communism is adding to its control at the present time 12,000 people every hour of every day seven days a week," Dr. Kay said.

The Communists' target date for the taking of America is now 1969, he added.

Encirclement and deterioration are the Communists' formula for the conquest of America, Dr. Kay said. He showed slides of the expansion of communism the world over.

Dr. Kay described Christianity and free enterprise as the foes of communism and atheism.

Dr. Kay has four other talks scheduled at the 14th annual Girls State. The next is set for 8:10 p.m. tomorrow.

Kay Talks Again

At an assembly this morning, Girls Staters heard another in a series of talks by Dr. C. L. Kay. He is vice president for public services of Lubbock (Tex.) Christian College.

Dr. Kay, speaking on "Americanism versus Communism," outlined Communist expansion in his talk today. He also showed a film on "Communist Encirclement, 1961."

Last night Dr. Kay presented Girls State with replicas of the Declaration of Independence and the Constitution.

His talk tomorrow morning will be on socialism as a first step toward communism.

Music

For the 47 girls enrolled in music, a well-planned program has been prepared. Miss Beverly Mackey and her assistant, Miss Pat Devine, plan to have their choir sing at each vesper service and a specialty presented at least at one assembly each day. Those girls in music who are prepared with any type of music solo may sing at one of the assemblies or at vespers sometime during the week.

Scrapbook

The first meeting of the Scrapbook activity was spent electing officers. The Girls State Scrapbook is organized with each member presenting information from each city.
