10

11 Whereas: At the environmental savings facility, the program will have a partnership with

12 recycling companies to build solar panels.

13

14 Whereas: Funding for the environmental energy savings act will be collected via two

1 percent of gasoline and diesel products.

2
3 Whereas: Taxes on gasoline and diesel will be allowed to fluctuate and dexhale as the
4 prices of the two prices of the two products change.

5
6 Whereas: Throughout the state of New Mexico, all citizens of the state will be required to
7 have recycling cans.

8
9
10 Whereas: The recycling trucks will be required to take recycled products to recycling
11 centers.

12
13 Whereas: The residue composed will be disposed in a composed facility. It will be buried to
14 regenerate the land. Which will then provide soil for new plants to grow and will give out to
15 the environment.

16
17 Whereas: Volunteers will fo to dumps and sort out the composed so it can soon be recycled
18 and used as energy vie technology.

19
20 Whereas: Public places will be required to have recycling bins for people to use.

21
22 Therefore: The conservation of using natural resources as electricity will decrease, helping
23 the environment.

1 Therefore” With the volunteering of people helping conserve waste/energy saving will bring
2 the community closer together.

3
4 Therefore: May be decreasing violence and irresponsibility. Hopefully making irresponsible
5 citizens help with conserving energy,

6
