A MEMORIAL

8

9 WHEREAS, an enhances of art displays around the city would contribute in multiple ways
10 that could then draw in tourism and attraction; and

11

12 WHEREAS, art displays such as murals, sculptures, statues, etc. would provide beauty to
13 an area. Such beautification can be set in an area that is in need of an economic boost. Not
14 only will this assist in the economic sustainability of an area, it will contribute to an
15 economic raise of local businesses. Not to mention that the creation of these

1 displays will provide job opportunities to locals. Beautiful areas draw in people who are
2 willing to learn and contribute to a community. Art displays that convey cultural and
3 historical to a city will draw in town revenue, all while assisting in local town education; and
4

5 WHEREAS, such an opportunity would not only benefit a city in terms of its economic
6 growth; it will provide community members of all ages to engage and assist in creating
7 communal art for all to see. Art programs that would help assist in such a communal
8 contribution, will need to be funded by the city, business sponsors, or local nonprofits; and
9

10 WHEREAS, in order to create fast enforcement, these art programs would have to start
11 with the local youth and up. Showing the youth that they can have their work on a piece of
12 art in an area that they and their families call home. This gives community members an
13 opportunity to see their youth shine in a creative and artistic way, while passively
14 contributing to their community, in both economic and social ways. This is a sustainable
15 and beneficial opportunity for a city's community to grow and improve for the better; and
16
