New Mexico Girls State 1984

The thirty-seventh annual session of New Mexico Girls State was held on the campus of New Mexico Military Institute. On Sunday, June 3, delegates from every high school in New Mexico arrived to participate in this program sponsored by the American Legion Auxillary. During the week, the girls learned about city, county and state governments and made many new friends. On the following Saturday, June 9, the girls parted, taking with them many memories and knowledge from their new experiences.

1984 New Mexico Girls State

To the 1984 Girls State Citizens:

We, of the American Legion Auxiliary, Department of New Mexico are proud to have sponsored and presented the program of Girls State. We are proud of each of you who participated so enthusiastically and made the 1984 session a memorable one.

You are special! You were chosen as a delegate to Girls State because of your leadership qualities. We hope that these qualities were strengthened by your experiences at Girls State and that you will each accept the responsibility of leadership in your school, your community and your state. You are the builders of tomorrow.

Our very best wishes to each of you in your future endeavors.

Margaret Locklar
President
American Legion Auxiliary
Department of New Mexico

Dear Delegates,

"1984 New Mexico Girls State" was a good year! 311 delegates from all over New Mexico represented their parents, homes, communities, and high school. Friendships made will be lasting, and the "togetherness" will never be forgotten.

We were so happy to return to the New Mexico Military Institute. Hagerman Barracks is huge, but we were all housed in one place, and were delighted to be all together and to know "everyone is here"!

Elections were held: City, Primary, and General. Mayors, a Governor, and Senators were elected. Much was learned from the many offices held.

Forty-one counselors worked for and toward YOU. Now we anxiously await your evaluation of our efforts. We are very proud of each and every one of you.

Much is expected of you, and we will be watching for your accomplishments.

Sincerely,
Mrs. Buford Slover, Jr.
Director
